Getting from the airport to the hotel and Institute

The Lech Walesa airport is located in Gdansk, see the airport description at <http://www.airport.gdansk.pl/passenger>

There are three options to get from the airport to the hotel:

- 1) The easiest and fastest one - by **taxi** - the official airport taxi company is Neptun Taxi (196 86), you can find them at the front of the terminal. One-way travel to Sopot should be around 100 PLN (Polish zloty), which is about 25 Euro.
- 2) The city **bus line no 122**, goes approx. every hour (see the schedule below), takes time (more than one hour) since there are 26 stops on the way to Sopot. You should get off at the stop 'Sopot Korty tenisowe' (see the list of stops). Signal that you would like to get off well in advance of your stop by pushing the button.
- 3) Take the **PKM** (Pomeranian Metropolitan Railway) to Gdansk Wrzeszcz (the last station) and change to **SKM** (Rapid Urban Railway) to the Sopot main station. Then it is approx. 20 min walk from the Sopot station to the hotel (check the route on Google maps).
